DELABIE

BLACK MAGIC

DELABIE is weaving - in modern spaces like museums, restaurants, company headquarters, airports - an essential link between design, architecture and functionality. A renewed experience combining performance and elegance, like the new BINOPTIC tap with its black chrome finish.

Complete hygiene:

operates without manual contact, anti-bacterial proliferation duty flush, smooth interior spout with low water capacity, reduced-stagnation solenoid valve.

90% water and energy savings:

flow rate 3 lpm, can be set as low as 1.5 lpm.

Specifically designed for public and commercial places:

chrome-plated brass, black chrome finish, streamlined shapes, LED facilitates maintenance, 10-year warranty.

BLACK BINOPTIC

IT COULDN'T BE
CLEARER

The BINOPTIC range makes its entrance into modern spaces in matte black. 100% black chrome design providing optimal resistance to intensive use, 90% water and energy savings, and complete hygiene: no manual contact, daily anti-bacterial duty flush, smooth interior spout. Nothing is missing from this blend of technologies. Beauty and utility have never been so good together.
